

NATIVO is a Reggae crossover band from Kiel, Germany. It was founded in 2018 by Venezuelan-born singer and guitarist Fernando Henríquez. Since their formation, they have played numerous concerts and recorded a full length album. The band began as a Reggae group but quickly transcended the genre, mixing in elements of Funk, Latin, Hip Hop, Dub, Arab, Blues and Rock. They sing in both Spanish and English, sometimes mixing the two in one song. The group's lyrics are known for commenting on world politics and society, as well as promoting social justice, tolerance, solidarity, love and understanding.
